AGENT INFORMATION SOFTWARE, INC. Quarterly Report March 31, 2021

Notes to Unaudited Consolidated Financial Statements

Summary of significant accounting policies

Agent Information Software, Inc. (the "Company"), a Nevada corporation, incorporated in 2010, including its wholly owned subsidiaries Auto Graphics, Inc., A-G Canada, Ltd. and Agent Legal, Inc., provides software products and services used to create, manage, publish and access information content via the Internet/Web.

Auto Graphics, Inc. a corporation formed in 1960 provides software products and services to customers in the library community and publishing markets throughout the United States of America.

A-G Canada Ltd., a Canadian corporation formed in 1997, provides software products and services to customers in the library community in Canada.

Basis of presentation

The consolidated financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America. The consolidated financial statements include the accounts of Agent Information Software, Inc. and its subsidiaries. All material intercompany accounts and transactions have been eliminated.

Use of estimates

The preparation of the consolidated financial statements of the Company in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and sales and expenses during the reporting period. These estimates are based on information available as of the date of the consolidated financial statements. Actual results may materially differ from those estimated.

Revenue recognition

Revenue is recognized when persuasive evidence of an arrangement exists, delivery has occurred, the fee is fixed or determinable, and collectability is probable. The Company enters into certain arrangements where it is obligated to deliver multiple products and/or services (multiple elements). In these arrangements, the Company generally allocates the total revenue among the elements based on the selling price of each element when sold separately (vendor-specific objective evidence).

Recurring revenues for SaaS (Software as a Service) services, database subscriptions and software maintenance and support contracts are recognized as services are rendered over the contractual period commencing in the period in which access rights are provided to the customer.

License revenues are recognized when the software is shipped to the customer or system access rights are provided to the customer.

Non-recurring revenues for installation, training and other non-recurring services are recognized as services are completed to the customer.

Accounts receivable

Accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on reviews of outstanding amounts on a regular basis. There was no need to adjust the Allowance for Doubtful Accounts during the 1st quarter of 2021.

AGENT INFORMATION SOFTWARE, INC. Quarterly Report March 31, 2021

Notes to Unaudited Consolidated Financial Statements

Deferred revenue

The Company receives advance deposits from customers per the contracts with individual customers. These contract deposit amounts are non-refundable. Revenues are treated as deferred revenue until services are provided and the revenues have been earned. Deferred revenues were approximately \$1,684,000 at March 31, 2021

Software

Software is recorded at historical cost. Software as of March 31 consists of the following:

	<u>2021</u>	<u>2020</u>
Capitalized software	\$5,020,334	\$4,527,102
Less accumulated amortization	<u>2,795,119</u>	2,165,524
Capitalized software, net	<u>2,225,215</u>	<u>\$2,361,578</u>

Certain costs incurred related to the development and purchase of computer software is capitalized and amortized. The Company collects and segregates software development labor hours applied to design, development, quality assurance and product documentation associated with the software development process. All labor hours associated with the design and specification development process are expensed as incurred until a detailed design has been developed.

COVID-19 Impact

The company is currently working at full capacity, with all staff working remotely from their homes.
